Cautionary Statement Regarding Forward-Looking Information

This shareholder letter has been issued as a matter of interest to investors and other followers of the Company. This shareholder update contains certain statements that constitute "forward-looking statements" and "forward-looking information" within the meaning of applicable securities laws (collectively, "forward-looking statements"). Forward-looking statements include, but are not limited to, statements about the future financial or operating performance of Sun Valley Minerals Inc., the anticipated mineralization of its properties, its planned exploration programs, the use of proceeds from the Offering and the anticipated nature of the Company's projects. Generally, forward-looking statements can be identified by terminology such as "plan", "expect", "believe", "project", "estimate", "forecast", "intend" and other similar terminology, or statements that certain actions, events or results "will", "may" or "would" or "will be achieved".

Forward-looking statements are based on the expectations and reasonable assumptions of the Company's management team at the time such statements are made. Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the Company's actual results, level of productivity, performance or achievements to differ materially from those expressed or implied by such forward-looking statements, including, but not limited to, general business, economic, competitive factors, dependence on third parties, actual results of operations and other commodity industry risks. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking statements, other factors may cause results not to be as anticipated, estimated or intended.

The recipient agrees and acknowledges that neither Sun Valley nor any of its representatives has any obligation whatsoever to update or keep current any information contained herein at any time, and the Company hereby disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. Investment in the common shares of the Company is highly speculative given its present stage of development.

All references to dollar amounts in this shareholder update are to Canadian dollars unless otherwise specified.
